

# Robert M. Berne CVRC Seminar

The Robert M. Berne Cardiovascular Research Center Presents

## **Daniel Greif, M.D.**

### **Affiliation:**

Professor, Depts of Medicine (Cardiovascular) and Genetics, Co-director, Yale Cardiovascular Research Center, Yale University School of Medicine, New Haven, CT

### **Pulmonary vascular dynamics: rise and fall of SMC clones**

The presentation will discuss vascular remodeling in the context of pulmonary hypertension. It will focus on cellular and molecular mechanisms that regulate expansion of smooth muscle cells down the pulmonary arteriole in disease as well as regression of this pathological hypermuscularization.
